

2020 Conway Pool Opening and Operating Guidelines

The coronavirus pandemic has affected us in many negative ways - unfortunately it will change how Conway residents are able to use our pool. Pool committee members are working hard to ensure that we will be able to open and continue to use our pool all summer.

To open our pool this year we are required to strictly follow Governor Baker's Phase 2 mandates.

Trustees of the pool ask that residents self-monitor and limit their time at the pool so that all Conway residents are able to visit this special place that we are entrusted with.

Summer 2020 state distancing guidelines means we must limit the number of people on the beach and in the shallow water. *Due to state requirements, this is not a time to invite out of town guests to large gatherings or parties.*

We are depending upon every one of us to adhere to state guidelines, so our pool can remain open.

Summer 2020 Usage Guidelines

- Do not enter if you have Covid-19 symptoms.
- No bathroom facilities.
- Groups/families (10 or less) must be 12 feet apart.
- Be sure your children maintain social distancing in and out of the water.
- Masks must be worn when not swimming.
- Limit your visit to 2 hours.
- No use of raft.
- Swim at your own risk.

Random inspections will be made to ensure that guidelines are being followed.

The Conway Pool is a completely privately funded swimming area. It is for Conway residents ONLY. Our pool is maintained and administered by an all volunteer board of Trustees, along with members of the pool committee. This committee meets regularly and is open to all Conway residents.

Sincerely,

Michelle Sanger, Jim Recore, Mary Parker, Risa Sudolsky and members of the Pool Committee
